**Committee
Name:**

Education Committee

Mission:

Salthaven Wildlife Rehabilitation & Education Centre is committed to the care and rehabilitation of sick, injured, orphaned and compromised wildlife. Our goal is to return healthy animals to their natural habitat. Through education, we are dedicated to increasing public awareness about, and respect for, issues affecting Canadian wildlife.

Objective:

By participating in productive and inclusive meetings, this committee's main objective is to:

The main purpose of the Education Committee is to ensure Salthaven is a resource to all schools/veterinarians, cooperation's and community at large locally as well as globally.

Goals:

The above objective will be accomplished by:

- 1) Maintain and enhance Salthaven's educational programs to include in person and on line presentations to public, secondary and College/University schools.
- 2) Ensure content and pre and post presentation material meets with current curriculum guidelines.
- 3) Evaluate educational programs. Research and recommend new options to make an impact.
- 4) Develop and maintain online education modules and delivery of same.
- 5.) Support LYEA (Libro Youth Environmental Alliance) to include highlighting student achievements on social media.

- 6.) Attend presentations at schools and various service clubs
- 7) Explore a University partnership to create and deliver MOOC's
- 8) Explore the possibility of Salthaven providing case studies to Veterinarian Colleges
- 9) Develop relationships with veterinarians and schools to create formal internship programs

Duties:

Committee Members will:

- meet regularly to review goals as well as report on individual and small group progress
- actively manage their commitments to this committee
- volunteer for and accept assignments
- stay informed about committee matters
- prepare for meetings by submitting relevant reports 3 days prior to the meeting
- review all documents prior to each meeting
- communicate on issues related to minutes and reports during meetings
- build working relationships with other committee members
- actively participate in annual reviews of the committee objective and goals
- participate in ongoing recruitment for this committee
- ensure regular attendance at committee meetings

Qualifications:

A successful Committee Member should:

- Be dedicated to the well-being of wildlife and environment.
- Inspire creativity and innovative thinking.
- Have experience in committee work, preferably in a non-profit, management, business and/or committee specific setting.
- Demonstrate concepts of fairness, justice, public service, and social values. Have a high level of interpersonal skills.
- Have an ability to problem solve and champion best practices.
- Have a willingness to work effectively with limited resources available to the organization. Possess the ability to propose concrete, impactful, and realistic ideas.
- Have excellent oral and written communication skills
- Exercise sound judgement, discretion, and tact.
